# A Genuine Bargain Sale!

EVERY LOT IS A SNAP.

The Owner Is Forced To Sell.

The coins quoted in this list are the property of a collector in this city and must be disposed of immediately. We cannot take the time to send any lot on this list on approval, but we guarantee each lot just as represented. If not entirely satisfactory, any lot can be promptly returned to us, and we will cheerfully refund money. To prices quoted please add postage and registration charges if you want coins sent by mail. Send money only by post-office or express money order, or by registered letter at our risk. Two cent postage stamps taken for fractional parts of a dollar.

Address all orders to

MORTON L. DOHERTY & CO.,

P. O. Box 143.

BUFFALO, N. Y.

## THE UP-TO-DATE BOOK.

*Doherty's Coin Collectors' Manual and Premium Coin Catalogue* is right up to date, and the most complete work of its kind published. It tells all about the classification of coins. It tells you about the counterfeiting of rare coins. It gives you a history of each American coin, telling you when each coin was first issued, the years none were issued, and gives date of the discontinuance of certain coinage. It gives instructions as to detecting counterfeit U. S. currency by mathematical calculation.

It contains a complete list of the rare American and foreign coins, bills, fractional currency, etc., we buy, and the prices we pay for them. (We pay a premium on dimes as late as 1881; quarters as late as 1890 and half-dollars as late as 1890.) It is a book that should be in the hands of every collector, Banker, Broker and Merchant in the land.

PRICE BY MAIL, 25 CENTS.
